

REMARKS

Correction of Inventorship

Correction of inventorship in an application is permitted by amendment under 35 U.S.C. 116, which is implemented by 37 CFR 1.48. The utilization of a request under 37 CFR 1.48 will generally correct the inventorship in the application in which it is filed. Further, where a typographical or transliteration error in the spelling of an inventor's name is discovered, the Office should simply be notified of the error. A new oath or declaration is not required. See MPEP § 605.04(g). Reference to the notification will be made on the previously filed oath or declaration. MPEP 201.03.

Accordingly, please change inventor "Eil Galicki" to --Eli Galicki--.

This inventor's name was misspelled and the error in inventorship occurred without deceptive intention on his part.
